

On SATURDAY APRIL 17TH 2010 at 11:30 a.m., the LGBT Family Coalition will hold their annual sugar-shack party at the ÉRABLIÈRE CHARBONNEAU (at Mont St-Grégoire)

The sugar shack is located beside the apple orchards where we did our apple picking last fall. It's also right beside an Arbraska for those with older kids who are interested in treetop trekking (if this activity interests you please reserve in advance at www.arbraska.com or 450-358-8999). For the kids and adults there's a full traditional lunch and an abundance of activities including: horse-drawn sleigh rides, a guided tour of the sugar shack, maple sugar candy (tire), tractor and pony rides, outdoor games, a mini-farm, etc.

This is a good chance for all of us to see each other once again, to catch up on news and to make new friends. For those who don't have kids yet, this activity is for you too. About one third of our members now are future-parents, so you will not be alone. Also if there are friends, nieces and nephews or children of friends that you would like to bring along, please feel free to do so. Come and celebrate together the coming of spring!

Our space must be reserved, so we are asking people to pay in advance. If you are interested in participating please fill out and return the form to us before March 15th 2010.

PLEASE RETURN THIS FORM BEFORE MARCH 15TH 2010
